Dear Pastor _____;

As the Director of Student Services for the Ministering Spiritual Gifts Training School, I am excited to inform you that _____ is being considered as a part of a new initiative to keep Ministering Spiritual Gifts Training students connected to the school and to other students who desire to grow in the apostolic and prophetic dimension. In this program, mentors will maintain regular contact with students and facilitate prophetic activations and prayer in order to encourage the students. Because we at MSG respect spiritual authority and protocol, I am asking you to provide insight about the potential mentor.

I sincerely appreciate your willingness to complete the reference. If you have questions about the program or training opportunities, please contact me at j.lhyatte@gmail.com or by phone at (757) 839-0087.

Thank you for your service,

Japri Hyatte
